# Introduction

If you like basketball you are better off to read my book to read about basketball. And if you like basketball you will like my book.

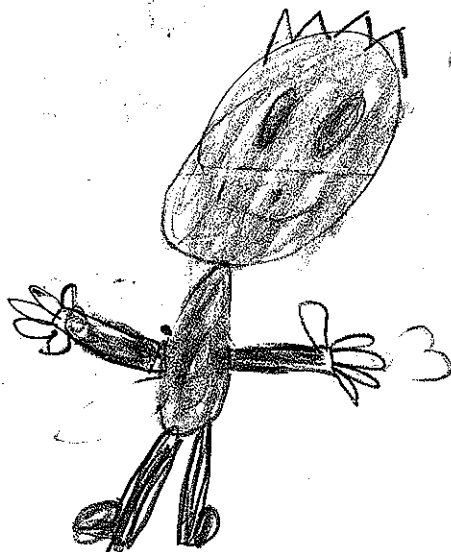

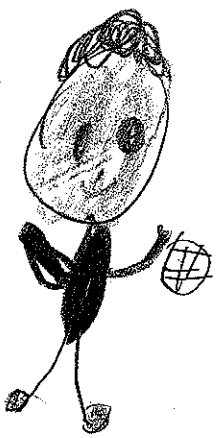

# Defense

Each Player on defense has to block someone on offense.

A player in the area has to be guarded.

In defense you can steal the ball

to make a faster shot. One moment you can be dribbling the ball playing offense trying to score, next moment you're on defense trying to stop the ball.

1.

1. A foul is very important in the Basketball game.

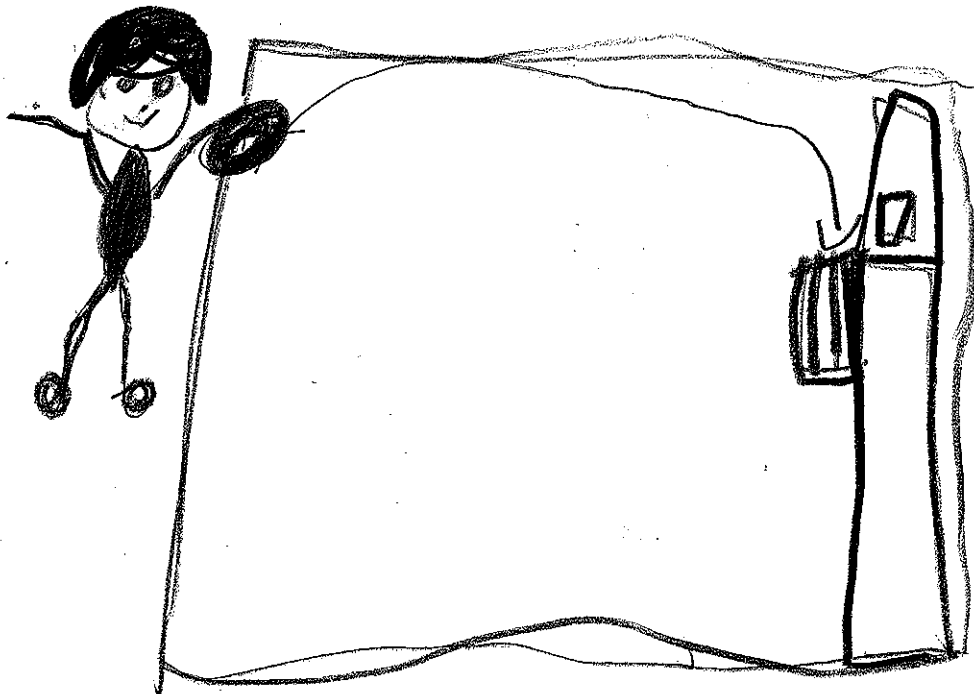

A foul is called a Violation.

A foul is when someone slaps, push, shove, hit or holds it's a foul.

A personal foul could be called by a slap when you shoot the ball and someone holds you so you can miss that is a technical foul.

When you dribble stop then dribble it's a foul.

## Fouls

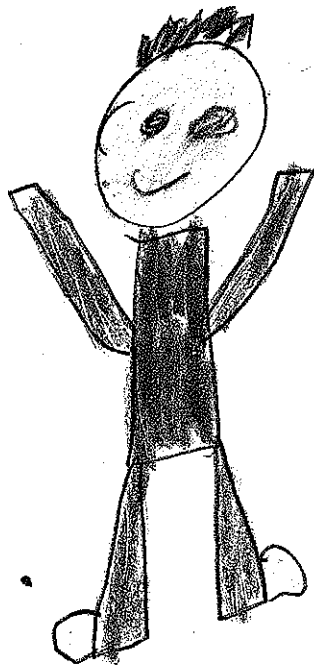

# offense Positions

G Guard: Did you know that there are 2 guards on offense.

Guard usually are the shortest people on the court. Forward: Did you know that forwards spend most of there time under the net. Forwards can make quick passes.

center centers are the tallest person on the court.
