Join us for a Spaghetti Dinner to honor Ella Dover

Ella started having seizures at the age of three. She is diagnosed with Lennox Gastault Syndrome, a rare and severe form of epilepsy that causes Ella to have seizures daily. While there is no cure for LGS, her anti-epileptic medications and the strict ketogenic diet have helped reduce the frequency and severity of her seizures. However, we, as her parents, knew that we had to think beyond these treatments in hopes of improving her quality of life.

Ella was approved for a seizure assistance dog but her family needs your support to bring her forever friend home!

Please join us for great food, a silent auction
and 50/50 raffles!

Thursday, December 12th from 5pm-8pm
Saline High School

\$10 per person or \$30 for a family of 4

You can purchase tickets 3 ways:

On-Line @ www.salinecommunityed.com
