

# Grandpa's Stories

*Langston Hughes (1902-1967)*

*The pictures on the television  
Do not make me dream as well  
As the stories without pictures  
Grandpa knows how to tell.*

*Even if he does not know  
What makes a spaceman go,  
Grandpa says back in his time  
Hamburgers only cost a dime,  
Ice cream cones a nickel,  
And a penny for a pickle.*
